### **AUTHOR VISIT GUIDELINES**

Thank you for your interest in scheduling an author visit for your school!  
I do not charge an honorarium for my visits, whether virtual or in-person.

However, I request that the school purchases at least five copies of the book(s) being presented. If this is a hardship, please contact me through my website.

### **PRESENTATIONS**

For in-person visits, I do an interactive PowerPoint/Google Slide presentation using a projector or smartboard, if available.

For virtual visits, I like to be able to share the presentation as well using platforms such as Zoom, Google Meet, and Teams. I read aloud, discuss, and talk about the authoring/illustration process.

### **BOOK PURCHASES - SIGNINGS - FUNDRAISERS**

#### **Student purchases are not necessary for my visit**

If the school is local and students wish to order books, I'll provide an order form to be sent home. I'll return to the school later and deliver the personalized copies. If not, the school can pre-order copies and I will provide personalized book plates. Details can be worked out.

I'm always happy to read aloud and do signings during local special events, like family reading nights or book fairs.

**Thank you! I'm looking forward to a visit!**
